CRS/VAMIC is your Canadian source of supply for modular belt. Our extensive inventory allows us to assemble application specific product for quick and efficient delivery. Over 100 years of combined conveyor knowledge makes CRS/VAMIC your source for conveyor solutions.

Chains and Accessories

CRS/VAMIC is your source of supply for all types of conveyor chains and accessories. Our diverse inventory can supply a wide range of industries, including: food, beverage, packaging, and industrial processing applications.

Applications

Carton Containers

Bottling

Accumulation

Packaging

Case Conveyor

Chains

Low Friction Acetal chains are offered in a variety of widths and styles for straight or radius conveyors.

For bottling and packaging, with or without lubrication, for straight or magnetic curves.

Double hinge chains for heavy duty work loads.

Low back pressure chains with Roller top for accumulation applications for straight or radius conveyors.

Grip top surface chains with molded over rubber to help carry product up inclined conveyors.

Carbon steel and stainless chains for straight or radius applications.

Specialized chains with rubber molded grippers for vertical applications.

A wide variety of chains for light or heavy duty applications such as cage receiving, pallet conveyor, case carrier in straight or radius applications, available with numerous accessories.

Many other chain styles available to meet your requirements.

Sanitary Hoses and Fittings

3A certified, CRS/VAMIC offers a variety of sanitary hose for the food, pharmaceutical, and beverage industries. In addition to being 3A certified, we offer the patented Re-Seal[®], Perma-Seal[®] and Perma-Crimp[®] series of Saint-Gobain hose.

Tygon[®]

Recognized as an integral and vital component of fluid transport systems, Saint-Gobain's Tygon[®] tubing delivers an uncompromising standard of consistent performance in numerous applications. It is offered in a broad range of products, each engineered to meet specific user needs, including resistance to chemicals, temperature fluctuations and abrasion, as well as high purity, pressure variability and long service life.

Belt products for all industry segments :

CRS/VAMIC offers a wide variety of fabric, pvc, urethane, and Teflon belts with smooth or textured surfaces to meet industry specific requirements, in addition to timing, mesh or flat flex and stainless steel belts. Other products such as motors, gearboxes and chains are also available. Contact a technical sales representative to find out more.

About Us

Established in 1978, CRS/VAMIC Inc. is the sole Canadian stocking assembler of HABASIT/LINK®, KVP®, RAM®, and FALCON® modular belt in addition to being an authorized HABACHAIN® master distributor.

CRS/VAMIC Inc. is the Canadian distributor of MARBETT S.r.L. conveyor components. Since its inception in 1968, Marbett S.r.L. has strived to supply its customers world wide with innovative and unique conveyor components.

CRS/VAMIC Inc. has achieved 3A certification from SAINT-GOBAIN PERFORMANCE PLASTICS for its innovative RE-SEAL® sanitary hose assemblies. In addition, CRS/VAMIC offers the Perma-Seal® and Perma-Crimp® assemblies, Tygon® tubing, PVC, Teflon® and other material hoses. These highly sanitary products allow CRS/VAMIC to be an incomparable source of supply for the food, beverage and cosmetic industries.

For over 30 years, CRS/VAMIC Inc. has supplied high quality products at competitive prices while providing an unprecedented level of customer service with a large inventory to meet your requirements.

We take this opportunity to thank you for your business.
